

Description of Vicarious Voices

Ever wonder what it's like to lose one of your five senses? Read Vicarious Voices and see what it was like for Wes Allen to suddenly discover that he has a profound hearing loss.

"It came on so suddenly! One minute I could hear perfectly and the next all voices were distorted."

"There's nothing wrong with my ears; sound comes in just fine. But it's like you're speaking to me in a language I don't understand."

Read what happened, see how it progressed, discover how he copes with it, and see what life can be in spite of hearing loss.

"By sharing my story I hope to help and encourage others who are living with hearing loss. Life can be fun and prosperous. We have more abilities than we do disabilities."

You will enjoy reading this story. There's lots of humor in it, and lots of benefits to be gained.
